MOSAIC Arts Alliance is a community of artists and art supporters who are active in our community through outreach programs and art advocacy. In our artist-run Sixth Street gallery, we have two group shows each year exclusively for MOSAIC artist members. We also partner with local businesses to showcase the work of our members through Art in the Biz. We offer classes for adults and children, take art into the outdoors at summer fairs and festivals, and work with local schools and social service agencies to bring art to children who might not otherwise have the chance to be creative.

Members receive a bi-monthly newsletter and a list of local and national art opportunities. They also receive invitations to participate in all gallery activities as well as the chance to be around other artists and art supporters at our quarterly meetings.

For both artists and art supporters, membership in MOSAIC Arts Alliance is a fun and effective way to help support art in our community!
