

MOSAIC ARTS ALLIANCE YOUTH MEMBERSHIP

MOSAIC Arts Alliance mission is to bring artists together to celebrate and showcase their talents, to provide art educations to students of all economic backgrounds, and to create cultural events that bring artists and citizens together to enrich our community.

And that includes young artists too! We have created a youth membership for young artists ages 6-16 for only \$25 per year. (Adult memberships are open to all artists ages 17 and up for \$50 per year) By being a MOSAIC Arts Alliance youth member, young artists will have the opportunity to meet professional artists and learn more about how they create their work. They will have the opportunity to explore ideas and learn about different mediums, visit galleries and artist studio spaces. Youth will also receive a discount on classes at the gallery, have the opportunity to show work in our MOSAIC Arts Alliance group shows, participate in our community outreach programs, and best of all, meet new friends.

This is a wonderful opportunity for youth to explore their creativity, meet other young artists in a very fun and relaxed environment.

Meetings will start in January 2006.
