SKIN DEEP

WHAT IS BEAUTY?

Bound feet, flattened heads, tattoos, powdered wigs, obesity, emaciation... All have been considered the epitome of human beauty at some time or place. But what *is* beauty? A merely external attribute? Something that glows from within? Is it really in the eye of the beholder? *Skin Deep* seeks to explore and expand the definition of beauty represented in the human form. All media is welcome and concept is open to interpretation.
