

# Art Challenge

Sponsored by MOSAIC Arts Alliance/Sixth Street Gallery

MOSAIC Arts Alliance/Sixth Street Gallery would like to invite you to participate in our monthly art challenge. The purpose of the challenge is to encourage artists to experiment with new media, size formats, & themes each month. Just how will you fill that box when faced with your monthly challenge? Artists will be given a different theme each month. We will then collect the work and display it in our Green Room for a month. Art work may be for sale or just on display for visual delights, the choice is yours.

**Here are a few of the guidelines for your work:**

1. Art work must be ready to hang. It does not have to be professionally framed.
2. Art work must be 8.5"x11" or smaller, any size combination under that is fine
3. ALL 2 dimensional media (3-D if it can be hung) is welcome-abstract, realistic- it's all good. Artwork may be done on any surface- it is up to the artist.
4. Artwork must fit the monthly theme and be appropriate for viewers of all ages. The show is on display in our classroom and artists of all ages are invited to participate.

**Here are a few guidelines to participate:**

5. This challenge is open ALL artists, there are no age limitations.
6. Artwork can be for sale if desired; a 15% commission will be collected.
7. A minimum \$2 donation is requested at the time of delivery to participate in the challenge.
8. Artists are limited to 2 entries in each challenge.
9. Make sure to put your name, contact information, & title on the back of your work.
10. Make sure to pick up your work promptly at the end of the month.

We will do our best to offer challenges each month. At times our Green Room is reserved for other opportunities and those come first. We will provide participants with information 3 months at a time, but again, may cancel at any time if the space is rented out. We will do our best to communicate clearly with participants.
