

A Perfect Birthday

Combination!

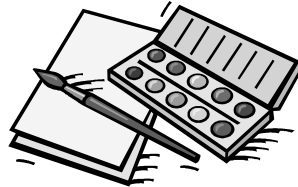

Sixth Street Gallery 105 W. 6th St. Vancouver, WA 98660

Happy Kids know that art and birthdays are the perfect combination!

Join us at the Sixth Street Gallery to celebrate your next family party.

Birthday guests will be invited to create a memorable piece of artwork, pre-selected by your Birthday Star, during the first hour and a half, the second hour will be devoted to cake and presents.

Your Birthday Star will be able to select the theme of their project. Birthday Stars can choose from painting, drawing, sculpting, fiber, comics, or mixed media. Project options will be discussed with our party coordinator at the time of registration.

Parents are encouraged to bring decorations, treats (cake, ice cream), gift bags, or any extras. Instructors will provide all materials needed for selected art projects.

Birthday parties at the gallery begin at \$100 for a 2 ½ hour party including one art project; half will be due at the time of registration. With the exception of your Birthday Star, a \$5 material fee will also be collected for each invited, participating guest. We can accommodate up to 12 guests.

Happy Birthday!
